

Take A Taste of: Personal Evolution Seminar!

Monday October 23rd, 6:30-9:30pm

This is a complimentary experience of the Personal Evolution Seminar led by Dr. Pattie Weber. Some things are so expansive that you can't explain it, and you must experience it to get it. Personal Evolution Seminar is just like that. Want to transform a limiting belief to a new empowered one in 20 minutes? Would you like to evolve into a new way of being in 3 hours? You have GOT to experience this to believe it.

Facilitated by Rev. Dr. Pattie Weber at SCPL location

FREE TO ALL!!
